Parish Youth and Schools Worker

We are delighted to announce that our parish has received funding from the Diocese of Southwell and Nottingham and the Fellowship of St John the Evangelist to employ a Youth and Schools Worker. The post will be three days per week (term time) for three years.

Potential applicants will need to know the love of Jesus for themselves and be skilled and passionate to share this love with young people. Their role will be to inspire community volunteers to run youth drop-in and youth discipleship groups for 10-18-year-olds. Please think and pray if you or someone you know is being called by God to share the love of Jesus with young people through our church as a volunteer or applying for this paid role. For more information, please contact the parish.
